Tax Savings for You!

Michigan Tax Credit

The State of Michigan offers a tax credit for charitable gifts to Michigan public libraries. Michigan law permits individuals and businesses to reduce Michigan Income Tax or Michigan Single Business Tax by a credit of 50 percent of the amount contributed to the Hillsdale Community Library. The tax credits are subject to the following limitations:

- ◆ Maximum of \$100 for an individual who is single or married and filing separately (based on a \$200 gift)
- ◆ Maximum of \$200 for a married couple filing jointly (based on a \$400 gift)

The Michigan Tax Credit is in addition to the charitable contribution deduction for Federal income tax purposes. If you itemize your deductions, the entire donation can be deducted. For more information, consult your tax expert.
